Poster Session and Call for Abstracts

All presenters are responsible for registering in advance for the conference, paying the registration fee, and securing and paying for travel and lodging.

Posters will be displayed Tuesday morning through Wednesday evening in the 2nd floor foyer area of the Galveston Island Convention Center.

During the judging and session, authors should remain with the poster for about 30 minutes responding to questions from interested observers. Awards for three best overall posters.

What is the poster session?

Poster presentations of research by graduate students, residents, fellows, and lab personnel are being solicited for the Diagnostic Management Team Conference to be held March 5th-6th, 2019 at the Galveston Island Convention Center.

This includes but not limited to, an information exchange and collaboration among researchers, clinical staff (including nursing, scheduling), information services, and lab staff regarding Diagnostic Management Teams. Presentations of completed research, as well as preliminary findings of work in progress are encouraged.

If you have a poster on an area not mentioned, please select other in the submission form.

Deadline

The deadline for abstract submissions: November 30th, 2018.

Submission Process

Submit an Abstract for Review. **Email ONLY the LAST TWO PAGES of this document ALONG WITH YOUR ABSTRACT attached.**

Abstracts must be less than 500 words, two pages, that explains and promotes the project, double-spaced using the outline below. Title block does not count for the word restriction.

Please submit the full bibliographical citation (title, authors, venue, etc.). **All authors MUST have their credentials after their name.**

Attached is the abstract template sample and instructions. Please follow the instructions on the abstract template. You will receive an exhibit number when accepted to place on your poster.

Submit the completed abstract in PDF, Word (doc, docx) or RTF if using a Linux based word processor to smhebert@UTMB.EDU Subject: DMT2019 Abstract.
